

SCHOLARSHIPS FOR CAREERS IN THE MANUFACTURED HOUSING, RV AND CAMPGROUND OR SELF-STORAGE INDUSTRIES

2023-2024 ACADEMIC YEAR

The Tim DeWitt HARVEST Education Foundation is a nonprofit education foundation created by the Michigan Manufactured Housing, Recreation Vehicles and Campground Association in 1991. In 2013, the Self-Storage Association of Michigan was added. The Tim DeWitt HARVEST Education Foundation establishes educational opportunities for students who wish to make a career in the RV and campground, manufactured housing or self-storage industry. In some cases, scholarships will be awarded to students even though their career goals may not lead them back to these industries. In cases like these, awards will be made to outstanding scholars or students with compelling needs.

What types of scholarships are available?

The Foundation will make financial aid available to students accepted to enroll or currently enrolled at any accredited university/college or vocational institution. The amount of the awards may vary based on individual needs and qualifications.

How does a student qualify?

Students must submit a copy of the application to the Foundation office via email. The awards will be made based on the applicant's ability to show that his/her educational goals are consistent with industry goals. The application's presentation and thoroughness weigh heavily. The Foundation will base its decisions on need and/or merit. Students may qualify for each year accepted to enroll or are currently enrolled at any accredited university/college or vocational institution.

When are the applications due?

Applications are due to the Foundation via email no later than Friday, April 14, 2023, for the fall semester of the coming school year. All information must be completed for consideration. If you have questions, call the Foundation office at 517.349.8881 *or* send an email to info@mmhrvca.org.

When are the awards announced and sent?

The committee reviews applications and makes award decisions in May. Recipients will be notified by email immediately following. The award check will be mailed directly to the recipient's educational institution in August 2023 (assuming all matriculation materials have been submitted on time).
